SOLD OUT

Luke Combs is headed to Bloomington for a **SOLD-OUT** show September 27! It's no surprise that Luke set the record for fastest sell-out at Grossinger Motors Arena. After making history and breaking chart records previously held by Tim McGraw, Chris Stapleton and others, Luke gained popularity fast! And with another album due out November 8, he isn't slowing down. In August, he gained the title of "Longest Reign Ever For a Male Artist" spending 44 weeks at number one on the Billboard Top Country Albums Chart. Earlier this summer, he was inducted into the Grand Ole Opry. Bloomington is in for an entertaining night as he brings his "Beer Never Broke My Heart Tour" to Grossinger Motors Arena with The Cadillac Three and Jameson Rodgers!

Making it Clear

Keeping up with the industry trends and ensuring the safety of all guests, Grossinger Motors Arena has implemented a new clear bag policy starting this season. As of September 1, guests will be allowed to carry in one clear plastic, vinyl, or PVC bag that does not exceed 12" x 6" x 12" or one, one-gallon clear storage bag. In addition to a clear plastic bag, each guest will be allowed to carry in one small clutch that does not exceed 4.5" x 6.5".
