Bloomington's new hockey league will host their third neutral-site regular season game at Grossinger Motors Arena this month as the Danville Dashers take on the Port Huron Prowlers March 21! This is another chance for fans to get a taste of the upcoming season this fall with their new team and league!

Guns and Hoses

A crowd favorite, the annual Guns and Hoses Hockey game featuring local heroes is set for March 13th! This is a competitive, action-packed game as City firemen and police officers go head to head! Tickets are just \$10 and it all benefits the Special Olympics of Illinois!
